Country Director of UNDP

Assunto: Commitment of Co-Financing for the GCF-funded project titled 'Safeguarding rural communities and their physical assets from climate induced disasters in Timor-Leste.'

Dear Mr. Providas,

The Ministry of State Administration of the Government of Timor-Leste is committed to participate in the GCF project "*Safeguarding rural communities and their physical assets from climate induced disasters in Timor-Leste*".

We reiterated our commitment to supporting the operations and maintenance of the 130 infrastructure units to be implemented under the project with a total commitment of \$ 29.4 Million USD. This will cover the O&M required during the project from year 3 to year 6 of \$7.187 Million USD and post project O&M of US\$ 22,213 Million over 16 years.

The post-project O&M commitment reflects MSA's commitment to the long-term sustainability of the infrastructure units to be implemented.

I look forward to continued partnership with UNDP and commencing of the project implementation, subsequent to consideration and approval by the GCF board.

Sincerely yours,

Abílio José Caetano, MM
Vice Minister for State Administration
and Interim Minister for State Administration
